Rs 5 as per order of the Member of 9.3.22 endorsed. But the order will have the effect of depriving the Govt of the power of drawing money even for the Calcutta expenses of the matter. He can neither collect the revenue of the matter nor can he draw the money from the Treasury. I think an limits may be prescribed within which the Treasury may be authorised to pay on bills presented by the Govt. Otherwise the Govt & their work will be greatly inconvenienced.

Taking into account, the collection and the total expenditure to end of February 192 there a small balance of about ₹1,000/- available to credit of the Mutt. This has however been to the Chairman, Mysore City Improvement Board as required in Huzrai Superintendent's letter No. 5341 dated 30th March 1922 and there is no amount which can be utilised for further expenditure. The anticipated expenses during the remaining part of the year amount to ₹14,307, while the realisations the last four months for the last three years noted in the margin. The collections show perceptible decline during the last two years and assuming that the collections for the last four months of current official year will not be very much below the collections for the corresponding period of last year, the payment of the anticipated expenses will result in a deficit of about ₹6,300/- which would correspondingly decreased if the collections are better. If Government do not think it undesirable to pay this sum as an advance or a loan pending recovery from the Mutt, instructions will be issued to the treasuries withdrawing those communicated in this office do.1608-705 B dated 14-3-22 stopping further payments.

Submitted with reference to personal instructions yesterday. The Comptroller has in addition stated that there are 3 other items to be met before the end of June 1922

(1) Arrear claims of Body Guards 1,410

(3) Charges connected with acquisition of sites and putting up of a compound wall for the Matt building in Mysore. 3,643

The total expenditure up to June 1922 will thus be Rs.16,559. Against this the following amounts are available at the credit of the Institution and under the Comptroller of Government

(1) Rs.7,754 held as security deposits from lessees of Sri Vyasarayaswami Matt properties.

(2) Government of India Securities (3½ per cent of the face value of Rs.6,000 which alone deposited in the Madras High Court as Security in the Privy Council appeal which can be got back now

(3) Rs.13,470 due as award for the Madura properties in accordance with the Privy Council decision.

These are besides the realisations from the estate within the Mysore, and the Court costs due to the Matt on account of the Privy Council appeal. There is therefore ample security to advance the ~~loan~~ sum now applied for by the Matt. The same may kindly be caused to be advanced. Very early orders are requested as the Matt represents that it is put to great inconvenience owing to instructions that ~~they~~ have issued to treasuries not to cash the Matt's bills in view of the transfer of management to the Matt.

My Dear Lakshmiaraslmha Rao,

I am in receipt of your - - - letter of the 11th May. I shall always be ready to discuss affairs about the Sri Vyasarayaswami Mutt with you whenever you can find time to call.

As regards the advance for Mutt expenses, I send a copy of G.O. dated 20th April 1922 so that you may make necessary arrangements with the Mutt.

Formal orders have not yet issued regarding the - - - committee formed by Swamigalu. As soon as it issues, copies will, of course, be sent to you and to the other members. I was waiting for a reply from the Swamigalu to my Vignapanapatrike stating that only three of you can be permitted and that Mr. B.Venkoba Rao cannot be permitted to serve on the committee. Not having had a reply I have submitted a draft order for approval. The Government agent will be going to Sosale next week as suggested by you. The acquisition of an additional plot of ground at a cost of Rs.112/-12-0 in the Weavers Lines, Mysore, for the Sri Vyasarayaswami Matha and the construction of a compound wall at an estimated cost of Rs.3520/- were sanctioned in Government Pro No.4503-5/M.B.540-21-2 dated 21st January 1922, and the Comptroller to Government was requested to transfer the sanctioned amounts to the credit of the Chairman, Mysore City Improvement Trust Board immediately.

2. In connection with the proposed sale of the chattram building at Benares to the Matha, the Comptroller to Government was requested in this office letter No.4680 dated 25th February 1922 to transfer a sum of Rs.2500/- from the Matha funds to the credit of His Highness the Maharaja's Chattram at Benares, pending orders of Government about the sale.

3. The Comptroller states in his letters Nos.1500/B.807 dated 28th February 1922 and B.1628-9 dated 2nd March 1922, that only a balance of Rs.462-12-11 is available at the credit of the Matha fund and that the requisite amounts will be transferred as ~~soon~~ as the funds of the Matha permit of the same

4. Fixed monthly charges on account of the establishment etc., maintained in the Matha come to about Rs.1400/- a month exclusive of the charges on account of the establishments of the Branch Mathas and of the agency establishment. On the repeated representations made by the Swamigalu the continuance of the Barr guard for a further period of 2 years and the disbursement to them of arrears of pay to the extent of Rs.1000/- have been sanctioned by Government. These payments are paid direct to the Swamy's agent in the T.Narasipur Taluk and in the absence of instructions to the contrary, the Treasury will continue to pay all fixed charges irrespective of the financial condition of the Matha. If there is a debit balance against the Matha at the time of handing over the management, there will be difficulty afterwards in recouping the money advanced from State Funds. As far as possible accounts in this office have been closed up to the end of the last month and the requests made by the Swamigalu for additional funds have not been complied with.
